World-Class Embroidery Services

From expert embroidery to professional presentation, our industry-leading services ensure that your branded apparel will enhance your company's image.

- We guarantee a 2-business day turn time for on-file logos (up to 500 units) and a 5-business day turn time on new logo development
- We embroider over 2.5 million logos every year
- Our attention to detail is second-to-none, with strict quality control standards and post-embroidery steaming to help your branded apparel look its best
- Our products and embroidery services appear on the same invoice, making paperwork easier
- We finish our service with a retail fold with tissue paper, then place your apparel in a custom-made polybag that perfectly displays your logo
- Additional value-added services available to add a special touch or fulfill a special need
